

Dear Parents and Carers

The new school uniform is now ordered and items will be available to purchase at Cornwall Screen Print at Holmbush from the 28th May 2007. A great deal of time has been spent in choosing materials that give best quality and best value for money. White short sleeved shirts and blouses are currently in ready supply at our local supermarkets at very reasonable prices. Further information, including prices, will come to you in the form of a flyer next week.

We are trying to reduce the amount of litter on the school site and ask you to emphasise to your child the importance of a litter-free, healthy environment.

I hear we're in for a sunny weekend. Have a lovely time.

## Sports Tour

Our annual Sports Tour to Manchester took place from 23rd – 28th March. Fourteen boys from Years 7 and 8 experienced Rugby League matches, the Old Trafford Stadium, the JJB Soccer Dome and of course playing in basketball and football fixtures.

There were some excellent performances throughout the tour and all of the boys were a credit to the school throughout the visit.

Planning is already underway for next year's tour, so look out for the information in the autumn term.

## POLTAIR ROWING SUCCESS

17 Poltair pupils attended the South West Indoor Rowing Championships on Wednesday 28 March in Plymouth.

There were fantastic results from all of the team and the school came second overall. This was an amazing achievement considering there were private schools and state schools from across the whole of the South West.

All of the competitions involved the pupils rowing the maximum number of metres they could (in a set time).
