

Issue number 6 – 25th May 2007

Dear Parents and Carers

As we approach the time when you will be buying new school uniform for September, I felt it would be appropriate to outline the timeline for change for this term.

As from 1st July 2007 pupils will no longer be allowed to wear hoodies, brightly coloured jackets/cardigans or other multi-coloured knitwear. The only exception to this is for those pupils who currently own a GCSE PE or JSLA navy top.

A new PE kit with the school's new logo is available from Cornwall Screenprint during the summer term and summer holiday. Full details are available on the flyer, which was sent to you last week.

Let's hope the weather stays fine and you enjoy a lovely half term! School re-starts at 8.30am on Monday 4th June.

## Synchronised Swimming Competition

Two girls from Poltair competed for the prestigious Walsall Trophy on Sunday 20th May in Taunton in a synchronised swimming competition. This was a special day as it represented the 25<sup>th</sup> Anniversary of the competition.

Nicola and Natalie Merrifield were part of a team of seven girls who achieved a fantastic second place with only Exeter beating them in the combination event.

Exeter Synchro' are a squad with National team members and access to National standard coaches making this achievement remarkable in that the St Austell team were only a few points behind them in the scoring. The girls have worked hard to put together a new themed combination based on the Romeo & Juliet story. It often takes a year to get a new routine together but the girls created this one in fifteen weeks. Well-done girls!
