

Issue number 7 – 8th June 2007

Dear Parents and Carers

Thank you to those of you who are parents of the new Year 10 prefects. Dressed in their collars and ties, they look very smart indeed and you no doubt feel very proud of them. Other pupils in the school are looking forward to wearing the new uniform in September, whilst the staff look upon them with great pride.

The Centenary Celebration takes place on 30th June all day – please join in with this very important and prestigious event. Remember – you won't be here for the bi-centenary! We will be very pleased to welcome back once again John Nettles and many other high profile former pupils. Don't leave the purchase of your ticket until the last minute – it will help us considerably if we know how many to expect.

Now that the summer weather seems to be here and since we all belong to a sports college – let's get out and walk or cycle or row – whatever you fancy. Let's get fit!

Synchronised Swimming Competition

You may recall that two girls from Poltair, Nicola and Natalie Merrifield, competed for the prestigious Walsall Trophy on Sunday 20th May in Taunton as part of the St Austell team in a synchronised swimming competition, achieving a fantastic second place in the team combination event. Well, they have done even better this last weekend when they competed with their team in Exeter. They entered the trio and team combination events; two events, two **FIRST** places! Self-belief and the desire to win have helped this team to succeed. A lesson there for us all.

Well done again girls!

Mr C Nel
