SINDRELLA SUCCESS !

For those of you who were unable to go and see the Poltair Drama Production of Sindrella then you missed a real treat !

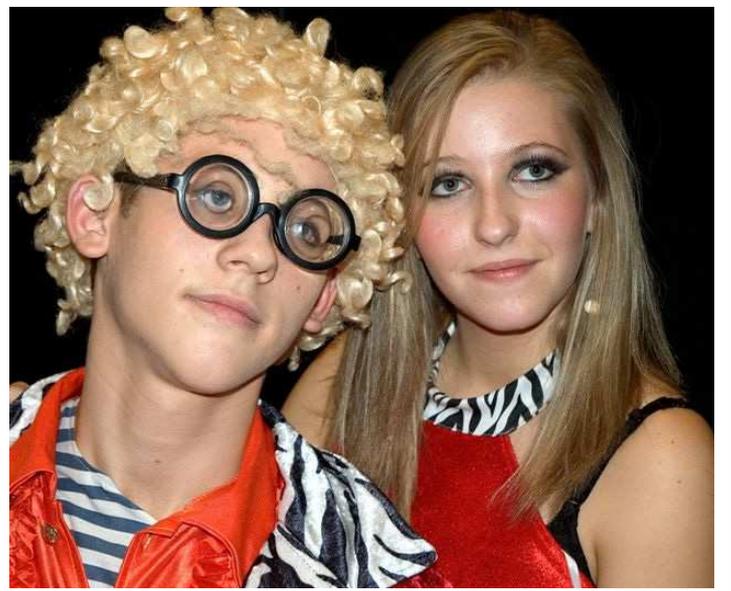

Our first production for four years was held at the Keay Theatre at Cornwall College under the direction of Drama teacher Mrs Bond. Our congratulations to the entire cast, backstage crew, helpers and parents who contributed to Sindrella being a fantastic success. It highlighted the fact that we have some very talented youngsters at Poltair and I am sure on the back of its success many more children will be eager to try their hand at drama classes. Mrs Bond is already eagerly searching for a suitable play for the next production.

Of course we need to congratulate the many children who took part – on stage and off - but also the massive contribution of other helpers who made the show such a great success. I know that Mrs Bond would want to mention in particular the help and assistance that parent Mrs Horn contributed. It was a great team effort !

Well done to everyone – It was an outstanding performance by all concerned.

A huge thank you to Cornwall College for use of the Keay Theatre and support from their Technical Crew.
