NOTICE

You should have received by now a Data collection form which must be signed and returned to the Admin. Office by Friday 19 October, together with a 'Use of pupil data' letter and 'Privacy Policy'. It is a legal requirement for us to annually update our information and a safety issue if we do not have current contacts for parents in an emergency (**please return the data collection form even if there are no changes**) including a current email address.

HOUSE STARS

TEWINGTON

Joe Rigley
7LS

For being cheerful and helpful in tutor time and working well in lessons.

Liam Tall
9CH

For improved attitude to learning.

TREVERBYN

Morgan Hicks
8KL

For making an excellent start to Year 8, having no behaviour points, 100% attendance and for good punctuality.

Ellie Hughes
11JB

For having a positive attitude, hard working in her new role as a prefect, having 0 behaviour points, 100% attendance and always punctual.

TRENANCE

Holly Courtney
7FG

For positivity in lessons even when she finds it hard.

Tom Diplock
11DBR

For settling in and being positive.

TREGREHAN

Chelsea Meaden
7DT

For following the 5Ps.

Kai Masters
10PM

For being organised and helpful to Mr Marshall.

SPOTLIGHT ON SCIENCE

Best Ever GCSE Science Results

This summer our 2012 Year 11 cohort of pupils secured our best ever GCSE results in 2 A*-C grades in Science.

This is a phenomenal effort and achievement by the pupils and all science staff. This represents a true reflection of 'believing and achieving' and achieve is what they did:

- The percentage of pupils achieving 2 GCSEs A*-C in Science (including all equivalent qualifications) was 69%, this is 9% above the national average.
- Pupils achieving GCSEs A*-C in Separate Sciences remained above the national average for the third consecutive year; Biology (100%), Chemistry (100%) and Physics (93%).
- Pupils achieving GCSEs A*-C in Additional Science was 81%, well above the national average.
- Pupils achieving the equivalent to 2 GCSEs A*-C in BTEC Applied Science = 100%, once again, above the national average.

We would like to thank all pupils, parents, carers and staff who undoubtedly supported the pupils in their achievements this summer. Our current Year 11 cohort also look set to achieve well next summer following their successes in their core and separate science exam results.

STEM (Science, Technology, Engineering and Mathematics) Club

Following the success of the 'Greenpower Formula 24 Car Challenge' held in June 2012, which saw our STEM Club pupils build and then race a battery-powered car at RAF St Mawgan we will be hoping to recruit new members from any year group to help improve on our race finish in June 2013.

If you are interested in taking part with the Greenpower Car Challenge or any other STEM activities that take place over the school year then do not hesitate to ask Miss Brader or Mr Martin for more details.

STEM Club reconvenes next Thursday 4 October after school in the science break out area.

STEM Club members and the Formula 24 Car

SURF COMPETITION

FRIDAY 26TH OCTOBER 2012
09:30 - 16:30
