Isabel Tate - Year 9

Isabel recently entered the Telegraph newspaper's mini travel writer competition.

She won, with this description:

Paignton pier, on a cold summer's evening; watching a sun set that paints the sky in pinks and reds. There's something magical about fairground flashing lights, the people nearby playing two pence machines, seemingly without a worry in the world whilst hearing the gentle crash of the waves beneath them.

Well done, Issy!

Curriculum Enrichment Day - Tuesday 7th November

While Year 10 were busy writing work experience letters and Year 11 completing College applications, here is a glimpse of what years 7, 8 & 9 got up to...

Year 7's Focus for the Day: The United Nations

Year 7s spent the day exploring the importance of collaborative working to overcome world challenges. Each pupil was assigned a national flag - they came to school wearing colours that represented their assigned flag.

Year 8's challenge for the day: Dragons' Den

Year 8s were set the challenge of making a confectionery product, designing its packaging and coming up with a sales pitch to present to the "Poltair Dragons"

DRAGONS' DEN

Year 9's Focus for the Day: Healthy Body, Healthy Mind

Year 9s spent the day looking at the link between maintaining a healthy body, a healthy mind and academic success.
