

Coast to Coast

Written by George McIntyre (7G0)

On 28th/29th April I took part in a Coast to Coast walk. At 7:30am I went to Port Isaac, this was the starting line. We were given our checkpoint tag and wristband - this said what tent I was in, what letter I was and what my checkpoint number was. At 8:10am we set off.

We walked through a lot of fields and checkpoints arriving at Lanhydrock at 3:00pm - this is where we camped overnight.

At 9am the following morning we set off again, headed for Par Beach where our journey finished. I really enjoyed the experience, apart from getting electrocuted by an electric fence that we had to go under at one point.

One of our members of staff is collecting plastic milk bottle tops as part of a charitable scheme (raising money for Cystic Fibrosis). If you are able to add to this collection she would be most grateful.

A collection box has been set up in SSC.
Thanks in advance.

Student Services

Uniform Standards

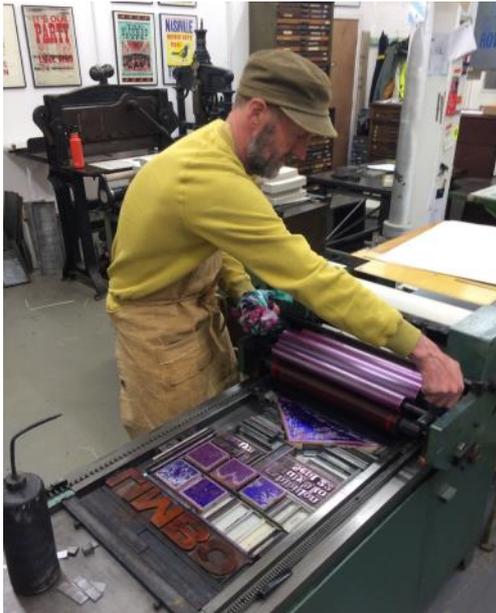

- Check your child's uniform daily before they leave
- Ensure they have not got inappropriate shoes in their bags to wear once at school
- Ensure they get into a routine of organising their uniform and equipment the evening before

A reminder that the school blazer is to be worn at all times and should not have any other garments underneath unless it is the embroidered Poltair School V-Neck jumper.

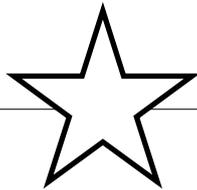

Guidance regarding uniform is available on our website at: www.poltairschool.co.uk.

Year 10 Photography

Our Year 10 Photography group are going to be working collaboratively with Antony Lyons on the “Limbo Landscape” project - a forthcoming exhibition inspired by the clay tips; the Treverbyn Sky tip in particular.

More details of the exhibition in the coming weeks...
