

On Saturday 7th July, two buses full of excited students from Years 7-10 left Poltair, bound for London.

One bus took our budding young scientists to visit both the Natural History/Science Museums. The second bus took our budding young Art enthusiasts to visit both the Natural History and the Tate Britain. Much to their delight they even managed to sneak off to watch some of the World Cup!

All students were, as always, very well behaved and a credit to the school and their families.

Poltair Choir

On Tuesday 10th July our choir paid a visit to Beech Lodge Nursing Home to perform for the residents.

After their performance (which was very gratefully received) they enjoyed some refreshments in the garden whilst chatting to some of the ladies and gentlemen who reside there.

The students were impeccably behaved, polite and did themselves (and Poltair) very proud.

Well done guys!

Year 9 BTECH Hospitality

Year 9 BTECH Hospitality students recently had the opportunity to learn how to prepare and produce doughnuts with Mr. Lee, a baker from Sainsbury's, Truro.

The students shaped dough, cooked and then decorated their doughnuts with a range of toppings before the best bit - eating them!

It was a fantastic opportunity for our students to work with someone in the hospitality profession.
