	Workshop 1A Effective Subject Leadership in PE	Workshop 1B Physical Activity Linked to Emotional Health and Well Being	Workshop 1C Grappling with assessment in PE	Workshop 1D The effectiveness of an outstanding SSOC	Workshop 1E GCSE and 'A' Level New Criteria
Workshop Details	In this workshop two primary schools will share their experience of leading the subject of PE across their school. This will involve the action planning process they have undertaken, how they have monitored the subject whole school, the challenges they have faced, how they have measured the impact and what future plans they have for continuous improvement of PE across their school.	<i>This workshop will take the Time to Move Framework as its starting point to look at the links between Physical Activity, Emotional Health and Well-Being and Raising Aspiration and Achievement. As well as exploring the evidence base and local case studies we will provide an insight into a range of effective interventions available locally to support the links between Physical Activity and EHWB</i>	Develop an understanding of the role of assessment and the tools to maximise the use of assessment for learning in PE Lessons	This workshop will highlight the benefits of having a School Sports Organising Crew running in your school, the fundamental role that young people in your school can play in shaping and developing the Sainsbury's School Games, how they can lead the planning and delivery of school sport clubs and Level 1 (intra) school competition programmes within their school.	<i>An opportunity to unpick some of the detail in the GCSE & A level content along with the different awarding organisation syllabus to support colleagues in deciding the best pathway for their learners, i.e. helping you make an informed choice on what you offer your students for first examination in June 2018 and then starting to network and action plan to have the resources & skill set ready to deliver.</i>
11am-11.30am	Coffee Break
