

March 2019

Dear Parents/Carers,

Year 7 students have a very exciting opportunity to take part in a Team Building Workshop, led by Footsteps of Discovery. The workshop will focus on the LORIC attributes that Year 7 have been exploring in their assemblies and Tutor Programme. These are: leadership, organisation, resilience, initiative, and communication. It will also be a fantastic opportunity for Year 7 students to meet the team at Footsteps of Discovery, who will be the same team facilitating our Year 7 Camp in July. I have provided details of the workshop below:

Date: Thursday 4th April

Time: 40-minute workshop, taking place on rotation in Blocks 1 and 2

Cost: £1 per student, payable via School Gateway. To register a School Gateway account, you simply need to go to the School Gateway website and register as a "New User" using the email address and mobile phone number that we hold for you. Payment can also be made direct to the Finance Office at first break only.
50% of this fee is a charitable donation to ABF The Soldiers' Charity.

Clothing: Students will wear PE Kit for the workshop. They are invited to wear PE Kit into school but will need to bring their uniform to change into afterwards.

We are also very excited that BBC Spotlight is hoping to capture this event to showcase the great work between Poltair School and Footsteps of Discovery. Please do get in touch if you have any questions regarding this media coverage.

We look forward to an exciting morning of team building activities that I am sure the students will be eager to tell you about when they get home!

Yours faithfully,

Mr L Goodlad
Year Team Leader | Year 7
