Secondary Network Offer 2016 - 2017

Dear Head Teacher and Head of PE,

Mid Cornwall Sports Network has compiled a new and improved offer guided by the feedback received at our recent steering group meeting. Attached is a copy of this offer for your perusal. I am sure you will agree that this diverse programme of provision will be beneficial to young people in your school.

This document contains both a network buy in offer; a school games entitlement and information regarding local discounts available to all network members. These discounts have been made possible due to the continued positive working relationship between MCSN and the local providers.

The opportunities included are based on the changing demand upon schools to ensure every child is emotionally and physically healthy, educated in life long participation and the benefits it brings.

The Network is represented at the Cornwall Health Wellbeing and School Sport Group which advocates Time2Move, MCSN utilise the annual T2M audits in order to offer a package that suits our area.

The Network Offer on the following pages are available to all secondary schools for **£2** per pupil for 2016 – 2017 academic year.

Please email emoore@poltair.cornwall.sch.uk indicating how many students are currently on roll at your school, you will then be invoiced and signed up for the forthcoming year.

If you wish to opt out of MCSN Membership please complete the 'opt out' form attached and return to me by Friday 21st July.

Should you wish to discuss this further, or if you have any questions, please do not hesitate to contact me.

Yours faithfully,

EM Moore

Emma Moore
