

Welcome to your Curriculum Enrichment Days 2017

What is Curriculum Enrichment?

It's your opportunity to use lesson time to explore how your learning links to real-world applications and have some fun in the process!

When is it?

Thursday 13th - Friday 14th July 2017

What are we doing on those days?

Roller Coaster Racers aka Science @ the Theme Park

The Important Details (Part 1):

Day One (school-based)

Have fun planning, designing, building and testing your own awesome roller coasters. Fantastic prizes available for the best designs combining style and safety but not compromising on speed!

Day Two (off-site)

Enjoy experiencing Science in Action on a trip to Flambards.

Embrace the Science as you feel the thrill of the g-force on rides such as Skyraker, Thunderbolt and the Hornet Roller Coaster.

The Important Details (Part 2):

The cost of this activity is £15. This great value price includes both your coach fare and admission fee into Flambards.

These days are part of a normal school week so not optional (no holiday will be granted during these days).

Permission letters will be in tutor registers on Monday 12th June - You must get these signed and returned ASAP.

We are hoping to give you the facility to make your payments online - This will be confirmed before Monday 12th June.

All letters and important information will also be available on the school website from Monday 12th June.
