## Art & Photography Coursework

On Thursday 14th June, parents were invited into school for a private viewing of this year's GCSE Art & Photography coursework.

Proud parents and staff perused the gallery with admiration and appreciation of the hard work put in by our talented young artists.

Four pieces of work have been selected to represent Poltair at the forthcoming "Create Ed" exhibition at Falmouth University.

The exhibition has also been used to inspire our KS3 pupils, the exam pieces have evoked class discussions on a range of topics such as global warming, political situations and gender identity.

**Well done to all involved!**
