Ruby Hearn - 7 LAD

Ruby has been with Aspire St Austell Gymnastics Club since she was 6 years old, training hard every week and competing for them all over the Country. She took part in a big regional competition on Sunday 28th October 2018 at an invitational Halloween Special at Fromside Gymnastics Club in Bristol.

It was a four piece event doing routines on vault (4th place) bars (1st place gold medal) beam (5th place) and floor (1st place gold medal). Ruby also won 3rd place, bronze medal overall in the 11 years old category.

Well done Ruby, you have done yourself and the school very proud!

Ten Tors Training W2

On Saturday 3rd November, the Ten Tors teams took to the moors once again. It was another challenging day which this time focussed on navigation and timings. The teams had many positive moments e.g. working together as a unit, performing at a strong pace and looking after each other in challenging situations.

“We walked about thirteen miles on North Dartmoor as training for Ten Tors. The walk was very challenging in some parts because the rain and fog made it slippery and hard to see. However, it was still incredible. We had picturesque scenery (when it wasn't raining), we saw loads of sheep, cows and horses walking around and I saw quite a few pretty flowers as well. It was also nice to get to know some more people and have fun!” *Josie McClenaghan*

“The training walk last Saturday definitely tested some of our limits as the weather was not the most welcoming, but as a team we overcame it. Our compatibility as a team has definitely improved and we are more of a unit now than we were before. Although we were all a bit cold and tired by the end of the walk I am glad we got to experience the elements and am looking forward to our next training walk.” *Jessica Siagian*

The teams hit the final stretch of the moor by torchlight and pushed on finishing their day knowing they had successfully completed their route. Bring on W3!
