GCSE Success Fair

On Thursday 7th February we hosted a GCSE Success Fair for our Year 11 pupils and parents.

The evening consisted of a variety of workshops demonstrating how parents can help their child access the revision resources we have provided and how they are to be used. There were information stands from all subjects as well as from local colleges and the National Careers Service. We also ran a session on how to recognise signs of stress and anxiety ahead of the examination period and provided some useful tools to help at home. There was a lovely atmosphere, teachers and parents worked together to ensure that the Year 11 students were best prepared to begin the revision for their final examinations. Thank you to all parents who attended, your continued support is very much valued and appreciated. The winner of the prize draw to win a family cinema ticket was: Lewis McCullough!

Ten Tors - W4

Dartmoor eluded the elements for as long as possible on Saturday 9th February when the 35 mile teams set foot on the moor for the first time since November. A cold, grey and windy day encouraged the teams to work together and strive to meet their check point times. As the day progressed, check points came and went with motivation in tow.

"The first part of Saturday, our fourth walk, was extremely positive. On this training, we split into our two respective teams and fought competitively to reach our checkpoints first. This inspired us to walk efficiently and have acute awareness of where the other team was. We navigated through our route methodically. We had navigational challenges later on in the day and we will reflect on how much we have learned and aim to improve for the next training walk. Many lessons can be learnt when an error is made and the weather changes for the worse – Poltair participants can overcome the obstacles by strength of mind! Bring on W5!"
