Staff in the Spotlight

We regularly celebrate the successes and achievements of our young learners, but we felt that the sporting achievements of one of our Year Team Leaders was worth sharing with you.

Miss Waters, pictured 4th from left, has recently represented Cornwall on the rugby pitch.

We spoke with her to find out a little more about how/why she took up the sport, here is what she said:

I have been playing rugby since I was 15 years old. It all started when I was at school, a teacher offered students the opportunity to play a new sport - and I decided to have a go. Ever since then, rugby has guided me through life.

I have been playing for the Plymouth Albion Ladies for over 16 years now; I have also represented the County, South West British Colleges and the Southwest County at various tournaments.

Rugby has given me the opportunity to travel the world, I have met so many people and made so many friends through the sport.

I have been fortunate enough to not only meet, but to also play with many England Internationals from both the male and female set-up.

Prepared

Could we please ask that students are reminded that they need to arrive to school fully prepared, wearing their full uniform and with the correct equipment (see below).

Failure to do so will result in a sanction, unless there are mitigating circumstances.

Many thanks.
