

## Getting it Right

### *Student of the Week*

Year 7: Jason Stead  
Year 8: Tyreece Williams  
Year 9: Daisy Alexander  
Year 10: Kian Richards  
Year 11: Emilie Hamilton

"I am over the moon with winning 4 badges in the rewards assembly, the Head of Year Award was the icing on the cake!"

*Perran Bate, Year 7*

**This term's award winners were given their badges this week during our Celebration Assemblies.**

### *Subject Awards*

At the end of every term, staff nominate students to win subject badges, to reflect the hard work and dedication to learning they have shown in lessons that term.

### *Merit Badges*

At the end of every term, the top 30 Merit earners from each Year receive a badge. Merits are then reset at the start of each new term. If this was a student's first time in the top 30, they received a Bronze badge, if it was their second - they received a Silver badge. Due to the school closure, many of the merits were issued for students' engagement with remote learning.

### *Tutor Awards*

At the end of every term, tutors nominate a "Star Student", to receive a yellow star badge.

### *Head of Year Awards*

At the end of every term, Heads of Year nominate one student from their Year group, who has really stood out this term, to receive the blue star badge - the highest accolade!

**In addition to receiving badges, there have also been other rewards/treats...**

All of our Merit badge winners were treated to a movie afternoon - this would usually be a cinema trip, but due to current restrictions, we did our own in-house movie screening instead.

Both the tutor group with the best attendance and the tutor group with the least behaviour points (in each Year group) were rewarded with a special breakfast this week.

Students with 100% attendance, students with 0 behaviour points and students with excellent remote learning engagement were entered into raffles, with the chance of winning Amazon vouchers!

*Well done to all of this term's winners!*
