

Poltair+

Autumn Term 2024

Poltair+

Our termly package of extracurricular opportunities, Poltair+, gives students the chance to participate in activities, acquire new skills, and enhance their existing ones outside of the classroom.

At Poltair, we strongly believe that participating in Poltair+ is an essential part of a student's education. We encourage all students to join in, as we feel it helps to cultivate a well-rounded individual and builds their confidence and character. We want our students to be able to leave us at the end of Year 11 as fully developed young adults.

Mr Marshall
