

May 2021

Dear Parent/Carer

In November of last year, communication was sent to all parent/carers relating to our decision to delay the amendment of our Uniform Policy to require students to wear all black leather/leather-like polishable formal shoes.

The decision to delay this amendment until September 2021 was made to support our school community during the on-going Covid-19 Pandemic.

As we move closer to the end of this academic year and your thoughts may be turning to a new school year and the purchase of new school uniform, I wanted to remind you of this change to the policy. Therefore, we ask if you are purchasing new school shoes in preparation for September 2021, please ensure that shoes are not of a trainer style. From September 2021, all students will be required to wear black leather/leather-like polishable formal shoes. Examples of these shoes can be found in our Uniform Policy which is available to view on our website.

Please can I take this opportunity to thank you for your ongoing support and should you have any questions relating to the style of shoe, please contact your child's tutor or Head of Year.

Yours sincerely

Carl Foster
Assistant Headteacher
